*"For truly against Your holy Servant Jesus, whom You anointed, both Herod and Pontius Pilate, with the Gentiles and the people of Israel, were **gathered together to do whatever Your hand and Your purpose determined before to be done.** Now, Lord, look on their threats, and grant to Your servants that with all boldness they may speak Your Word, by stretching out **Your hand to heal, and that signs and wonders may be done through the name of Your holy Servant Jesus.**"*

Acts 4:27-30 NKJV

Have you ever struggled to make sense of painful processes and difficult experiences in your life?

Like God's servant Job, you may have charged God with self-righteous accusations, entertained foolish reasonings from others, or even pondered false narratives in your heart.

However, these actions only torment the soul and don't provide any satisfaction. In Job Chapters 40-42, God responds to Job by reaffirming His vast domain, intricate creations, sovereign authority, limitless power, and might. It was when Job humbly received God's correction that he was able to move from a place of casual relational awareness to a deep spiritual intimacy and revelation of God's righteous power and sovereign purpose (Job 42:5). As Kingdom Citizens, let us find comfort and strength in knowing that God can powerfully perform everything He has ordained and planned according to His perfect timing, just as He did for Peter and John in Acts 4:27-30.

I had heard of You [only] by the hearing of the ear, but now my [spiritual] eye sees You. ~ Job 42:5 AMPC
